**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please make sure there is enough competition for the access to broadband internet. Such an important service should not be in the hands of just a few greedy and unscrupulous corporations.

In my case, broadband is key to our family and to my work. In addition I want to be able to chose a local, ethically proven provider .

Thanks
